Dear Mr. Sziraczki:

We have completed our review of the response of Google Fiber, Inc. ("Google"), to the October 9, 2015 random audit letter sent to it in accordance with the provisions of 47 C.F.R. § 76.77(d) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with 47 C.F.R. § 76.79 of the Commission's rules, we will place a copy of this letter in the Commission's public file maintained for Google's unit in the FCC Reference Information Center. A determination about EEO certification for Google's unit for 2015 is being made separately and will be sent to you under separate cover. Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.
