MEMORANDUM

To: All Broadcast Affiliates

From: Univision Network

Re: Closed Captioning Certification

Date: January 10th, 2022

Attached please find the Univision Network's Closed Captioning Certification for the Fourth Quarter of 2021.

In 1998, the FCC adopted rules requiring all broadcasters, cable operators and satellite distributors to begin providing programming in a closed-captioned format to make programming accessible to those with hearing disabilities. The FCC established a phase-in schedule requiring these program distributors to provide an increasing amount of their programming in a closed-captioned format over time.

As of January 1, 2010, all "new" non-exempt Spanish-language programming must be captioned, with certain limited exceptions. In addition, FCC regulations currently require that at least 30 percent of "pre-rule" Spanish-language programming be captioned per quarter. (Commencing January 1, 2012, the quarterly captioning requirement for "pre-rule" Spanish-language programming will increase to 75 percent.)

Whether programming counts as "new" or "pre-rule" depends on its format and when it was first exhibited.

- Digital programming is "new" if it was first published or exhibited on or after July 1, 2002. It is "pre-rule" if it was first published or exhibited before that date.
- Analog programming is "new" if it was first published or exhibited on or after January 1, 1998. It is "pre-rule" if it was first published or exhibited before that date.

The Univision Network is providing you with this Closed Captioning Certification to assist you in keeping records demonstrating your station's compliance with this phase-in schedule. Since your station may not have aired all of the programming listed on the Closed Captioning Certification, or may have added additional closed captioned programming, you cannot rely solely on this Certification. You should review your station's logs to determine whether all of the closed-captioned programming on the attached Certification was aired.

We have provided you with a form of Certification that can be completed locally and attached to the Network Closed Captioning Certification attesting to the amount of

closed captioned programming aired on your station. You should check with your legal counsel in preparing this documentation.

DO NOT PLACE THIS DOCUMENT IN THE STATION'S PUBLIC INSPECTION FILE. THIS DOCUMENT IS FOR YOUR USE IN DEMONSTRATING COMPLIANCE WITH THE CLOSED CAPTIONING REQUIREMENTS. THIS INFORMATION IS NOT FOR PUBLIC DISSEMINATION EXCEPT IN CASES WHERE COMPLIANCE WITH THE CLOSED CAPTIONING REQUIREMENTS IS QUESTIONED. THIS CERTIFICATION MAY BE RELIED UPON ONLY BY THE BROADCAST AFFILIATE TO WHICH IT IS SENT.

Closed Captioning Certification
[Call Sign, City, State]
Fourth Quarter 2021

As indicated in the attached Closed Captioning Certification, all of the “new” Spanish-language programming provided by the Univision Network to its affiliates either was closed-captioned or exempt from the closed captioning requirements, and at least 75 percent of the “pre-rule” programming was in a closed captioned format (or was exempt) in the Fourth Quarter of 2021 (October-December 2021), in order to ensure compliance by its affiliates with the FCC’s closed captioning rules applicable to the Fourth Quarter of 2021.

This is to certify that Station ____ [Call Sign] complied with the requirement to provide all new programming and at least 75 percent of its pre-rule programming in a closed-captioned format during the Fourth Quarter of 2021. Specifically, the Station did the following:

(Check the applicable options.)

☐ Aired all of the closed-captioned programming identified on the attached Closed Captioning Certification;

☐ Aired all of the closed-captioned programming identified on the attached Closed Captioning Certification, except for ____ hours of new closed captioned programming which were preempted and ____ hours of pre-rule close captioned programming which were preempted;

☐ Aired ____ hours of additional new closed-captioned programming and ____ hours of additional pre-rule closed captioned programming;

☐ Did not air any additional closed captioned programming.

☐ Preempted certain captioned programming identified on the attached Closed Captioning Certification, but substituted sufficient alternate captioned programming in order to meet the current 100% captioning requirement for new programming and 75% captioning requirement for pre-rule programming.

☐ Aired programming that was not fully captioned as indicated by the attached logs/discrepancy reports.
