

More tools. More buzz.

Advertise your Google Fiber connection to attract new residents and Google Fiber subscribers. From banners to badges, we've got the marketing tools to help.

Banners

Banners advertising that your property is Google Fiber-ready are available in 33" and 90" sizes.

Online Google Fiber badge

As prospective residents are looking for available apartments and condos online, make sure your property stands out by displaying your Google Fiber badge next to your online property listings.

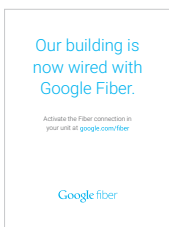

Brochures

Printed brochures are available to inform your residents of the various Google Fiber plans and pricing options.

Window decals

Use window decals to tell residents you've got Google Fiber.

Posters

A variety of posters are available for you to put up around your property.

If you would like any of the above materials, please contact your Account Executive.
